

2017 Rosé Wine | Spring Mountain, Napa Valley

Winemaker's Comments

The 2017 Correlation Wine Company Rosé follows the strong debut with the inaugural vintage last year, and does not fail to deliver a beautiful wine once again. While production is down quite a bit, bottling just over 100 cases, the saignée rosé was crafted by fermenting a selection of the very best juice from the same vineyards as our Cabernet blend.

Just like our first rosé effort, led by Winemaker Martha McClellan, focused on crafting a beautiful pale color rosé packed with lots of strawberry and black raspberry liqueur, balanced by bright minerality, crushed rocks and delicate flowers. Barrel fermented and aged 6-months in neutral French oak barrels, which imparts a round and creamy mouthfeel, this is once again a perfect companion for your summer gatherings!

About Correlation Wine Company

The wines from Correlation Wine Company are first and foremost reflections of our passion, our experience, and ultimately founded upon the relationships we've made since our family first arrived in the Napa Valley in 1999. We strive to craft wines with impeccable quality and approachability, showcasing new expressions outside of our Steffens Family estate on Spring Mountain. These "Correlations" are the backbone of our wines.
