

## 2018 Rosé Wine | Spring Mountain, Napa Valley

### Winemaker's Comments

The 2018 Correlation Wine Co. Rosé follows as the third vintage of a lineup of beautiful Provencal-style Rosé wines. As this is crafted by way of saignée, and Mother Nature was a bit more kind with production, we were able to increase production a bit. Sourced from three beautiful vineyards within the Correlation portfolio, we are excited to have added a bit more Merlot and a touch of Cabernet Franc in the blend this year. The 2018 Rosé was crafted by fermenting a selection of the very best juice from the same vineyards as our Cabernet blend.

The aromatics of the 2018 Rosé explode with hints of Rainier cherry, tangerine blossoms, peony, sweet framboise, and white pineberry strawberry. On the palate the wine shows a bright, focused core highlighted with a delicate creamy texture, and mouthwatering acidity. Barrel fermented and aged 6-months in neutral French oak barrels, which imparts a round and creamy mouthfeel, this is once again a perfect companion for your summer gatherings!
