

2016 Rosé Wine | Napa Valley

Winemaker's Comments

The 2016 Correlation Wine Company Rosé marks the second addition to our portfolio of wines. Sourced from some of the same vineyards as our 2014 Cabernet Sauvignon, the rosé is barrel fermented and aged 6-months in French oak barrels. A perfect companion for your summer gatherings!

Our winemaking team, led by Winemaker Martha McClellan, believe barrel fermentation brings great complexity and mouthfeel, while maintaining a brightness and freshness one would expect from a beautiful rosé. The resulting wine shows very focused yet fresh and vibrant aromatics including fresh cut strawberries, a beautiful pale rose color, finished with great texture. This wine will drink very well upon release.

About Correlation Wine Company

The wines from Correlation Wine Company are first and foremost reflections of our passion, our experience, and ultimately founded upon the relationships we've made since our family first arrived in the Napa Valley in 1999. We strive to craft wines with impeccable quality and approachability, showcasing new expressions outside of our Steffens Family estate on Spring Mountain. These "Correlations" are the backbone of our wines.
